Objective:

Creative and enthusiastic Full Stack Web Developer seeking to utilize my passion for coding to help businesses bring their visions to life by coming up with real world solutions to various problems.

Education:

- **Eleven Fifty Academy, Web Development Immersive Learning Program, Indianapolis, IN, October 2021**
 - 24-week immersive learning program for Web Development taught with industry-guided curriculum, real-world project-based learning, and 500+ hours of logged coding time and training
- **Purdue University, Bachelor of Arts in Sociology, Lafayette, Indiana, May 2014**

Competencies & Functional Skills:

Problem solving, troubleshooting, creativity, visual communication, customer service, critical observation and thinking, organization, Agile methodology, portfolio development, addressing and resolving business challenges

Technical Skills:

Languages: JavaScript, Node.JS, ReactJS, Heroku & Firebase deployment

CI/CD: Git

Databases: SQL Server

Web Technologies: HTML, CSS, APIs, stateless components, session validation, responsive web design

Technical Projects:

- **More Perspective website <https://more-perspective-client-ljh.herokuapp.com/>**
 - Utilized NewsAPI, Typescript, ReactJS, NodeJS, PostgreSQL, Ant Design, and Bootstrap to create More Perspectives, a news web app that organizes news stories by political spectrum so that people get a clearer perspective on the most prominent stories facing us today
- **NASA's Most Popular Projects website <https://popularnasaproject.web.app/>**
 - Utilized NASA API, HTML 5, CSS 3, Javascript, and Bootstrap 4, to design & build NASA's Most Popular Projects website
- **National Park Planner App <https://park-planner-app.herokuapp.com/>**
 - Utilized National Park API, Javascript, ReactJS, NodeJS, PostgreSQL, and Ant Design with my team to create Park Planner, an app that allows users to plan trips and activities to National Parks in the United States and territories

Professional Experience:

Senior Bartender, Metro Nightclub and Restaurant, Indianapolis, IN, July 2015 – March 2020

- Ensured a positive guest experience by being welcoming, knowledgeable, and anticipating guest needs
- Monitored the intake of alcohol per guests, and prohibiting the sale of alcohol to intoxicated persons
- Accurately executed various guest cocktail and food orders during high volume periods
- Consistently performed well on alcohol and cash drawer inventory audits for the entirety of my tenure

Marketing Ambassador, Blue Indy, Indianapolis, IN, July 2015 – December 2016

- Collaborated with other ambassadors and dispatch from the time of the company's inception to improve day to day operations
- Assisted customers in facilitating the sign up process by teaching them how to navigate the program in the sign up booths and walking them through the online procedure for new memberships
- Responsible for time management and being available in between assigned tasks to demonstrate how to navigate the web app and troubleshoot general concerns or technical difficulties for customers trying to check out or in a car
